# Could your dog benefit from a bit of extra training?

## Is your schedule too busy to commit to a weekly class?

Consider our Train & Play Program! We will work one-on-one with your dog here at daycare! We can address common behaviors (not jumping up, walking nicely on a leash, politely meeting strangers, etc.) as well as specific issues you may be having. This is a great way to take advantage of our training services and our flexible booking ensures you will only pay for what you need.....easy & economical – what's not to love?

\$35.00 per each individual 30-minutes, OR \$130.00 for a pre-payment of 4 sessions.

A 30-minute lesson with owner present is required at the end of the training period for \$45.00.
