Could your dog benefit from a bit of extra training?

Is your schedule too busy to commit to a weekly class?

Consider our Train & Play Program! We will work one-on-one with your dog here at daycare! We can address common behaviors (not jumping up, walking nicely on a leash, politely meeting strangers, etc.) as well as specific issues you may be having. This is a great way to take advantage of our training services and our flexible booking ensures you will only pay for what you need.....easy & economical – what’s not to love?

\$35.00 per each individual 30-minutes, OR \$130.00 for a pre-payment of 4 sessions.

A 30-minute lesson with owner present is required at the end of the training period for \$45.00.

We offer grooming packages to keep your dog in great shape!

Does your dog require minimal grooming but still need the basics (nails / ears / teeth)? Maybe your dog needs a bit more grooming maintenance than your busy schedule allows? Maybe your dog starts to look shabby between groomings?

We have a grooming package for every dog! Our Easy Keeper package works great to keep your dog in tip-top shape each month – always smelling fresh and clean! Hairy dogs benefit from the Face / Feet / Fanny package to keep those eyes clear and private areas neat and tidy. Do you have a hard time keeping up with brushing your dog’s coat? Have us do it!

FACE / FEET / FANNY: \$35 - Face trim, foot trim, sanitary trim, pad shave, nail trimming & grinding, ear cleaning & plucking, teeth brushing & scaling.

EASY KEEPER: \$30 PER MONTH - Twice monthly: 5 minute brushing, nail trimming, teeth brushing & scaling, ear cleaning, cologne spritz.

EXTRA BRUSHING: \$1 per minute
